Breeders: Andy & Helen Hill**Owners:** Andy & Helen Hill**Residence:** Christchurch**Address:** 43 Pannetts Road RD 4 Chch 7674.**Line Breeding** Nil**A. FINDINGS ON THE DAY OF THE SURVEY (general description of the appearance and constitution, size)**

A medium size (57cm), above medium strength, well pigmented, feminine sable bitch of very good type and proportions; very attractive head with dark eyes and very good expression; good length of neck, high withers, firm back, slightly short and just slightly steep croup; good fore, very good hindquarter angulations, very good development of the fore and under chest, stands correct in front; moves with hocks just slightly close and elbows firm; shows very good ground cover via a strong back and the reach and drive are effectively balanced; alert and self assured, she stands firm to the gun.

B PARTICULAR VIRTUES & FAULTS (in addition to findings in A)

A correctly medium sized, admirably expressive and attractive bitch with a confident yet sweet nature; loose lead gait shows good willingness to run and convincing effectiveness of reach and drive, however at times she flattens a little over the witherline; she could have a slightly longer foreleg.

C. ADVICE FOR THE SELECTION OF A BREEDING PARTNER (Recommendations & Warnings)

An outcross, this bitch reflects her lineage very well. Ideally seek partners that have good length of foreleg, and, to consolidate her good hip/elbow status, those who have and come from lines of good hip/elbow status.

D. GENERAL INFORMATION QUALIFYING CRITERIA

1 (a) Height at Withers 57 cm (b) Depth of Chest 27.5cm

(c) Chest Circumference 73 cm (d) Weight 28.5 kg

2 COAT**(A) Type** Normal**(B) Condition** Healthy**3 COLOUR & PIGMENT****(a) Colour & Markings**

Sable, dark mask

(b) Pigmentation
