Line Breeding: Nil

Breeder: P, R & L Halliwell
Residence: Thames

Owners: P, R & L Halliwell
Address: 43 Front Miranda Road, RD 6, Thames

A. FINDINGS ON THE DAY OF THE SURVEY (general description of the appearance and constitution, size)

Sable with gold markings (61cm), very large, markedly typical bitch, very expressive, strong and substantial, very feminine, desired dark mask, eye could be a little darker, well set neck, high withers, firm straight back, good croup, very good fore and hindquarter angulation, still overall very good proportions, well developed, stands correct, steps slightly narrow going with good hock connection, correct coming. She displays a powerful spirited gait, very far-reaching ground cover, well balanced and well-coordinated, shows very good enthusiasm to perform particularly during the gaing exercise. Calm and self-assured. Stands firm to the gun.

B PARTICULAR VIRTUES & FAULTS (in addition to findings in A)

Particularly well coloured and pigmented bitch with a very well-maintained centre of balance, clean top and underline, with much energy and very fluent gait, very good length of stride and very good presentation. She has already achieved her maximum chest depth.

C. ADVICE FOR THE SELECTION OF A BREEDING PARTNER (Recommendations & Warnings)

She is from a well established family background espically so in her sire and dam who are anatomically well constructed. Her litter brother Oakway Eye of the Storm is also typey and presents a very good harmony of build. It is crucial to hold on to her many virtues and would recommend lins of abpve medium to large and in the first instance Freemont Watson (Imp Aus) and secondly Oakway Hardcore. **Very highly recommended for breeding.**

D. GENERAL INFORMATION QUALIFYING CRITERIA

1 (a) Height at Withers	61cm	(b) Depth of Chest	28.5cm
(c) Chest Circumference	81cm	(d) Weight	32.9kg
2 COAT			
(A) Type	normal	(B) Condition	Healthy
3 COLOUR & PIGMENT			
(a) Colour & Markings	(b) Pigmentation		Strong
Sable dark mask, extended saddle sable
