Address: 43 Front Miranda Road, RD 6, Thames

A. FINDINGS ON THE DAY OF THE SURVEY (general description of the appearance and constitution, size)

Large, (65cm), black and gold, above medium strong, praiseworthy type, masculine and expressive, dark mask, dark eye, well set neck of good length, high withers, firm back, very good length of croup which is fractionally steep, very good fore and hindquarter angulation, normal fore and underchest development, overall development is very good, stands correct in front, steps correct coming and going, he shows a very good willingness to perform, far reaching ground covering movement, very good wither retention, good firmness over the topline, very good reach and a powerful drive. Calm and self-assured and stands firm to the gun.

B PARTICULAR VIRTUES & FAULTS (in addition to findings in A)

Well proportioned male, firm and dry, who presents a very pleasing picture in stance, correct forequarter proportions, very good length of foreleg, well coloured and well presented. He has a very good hip and elbow status. DM tested (carrier)

C. ADVICE FOR THE SELECTION OF A BREEDING PARTNER (Recommendations & Warnings)

With no line breeding and a somewhat open pedigree, there are no bloodline restrictions. Suitable for females requiring improvement of proportions, colour and type and overall general firmness with consideration given to the points above.
