A. FINDINGS ON THE DAY OF THE SURVEY (general description of the appearance and constitution, size)

Black and Gold bitch, (59.5 cm) large, of praiseworthy type. She is feminine and expressive, good eye colour, well set neck of good length, high withers in stance, firm straight back, well moulded croup that is slightly short, upper arm of correct length but ideally should be better angled, good layback of her shoulder blade, very good top and underline, still good overall proportions, stands correct, slightly narrow going, elbows yet to fully close, correct coming, she exhibits very good ground covering movement, reach could be a little freer with very good drive. Calm and self-assured and stands firm to the gun.

B PARTICULAR VIRTUES & FAULTS (in addition to findings in A)

A youthful bitch who is well coloured and pigmented, medium strong, she is firm and dry, very good length of bones, normal fore and underchest development, clean front and balanced brisket proportions. She has a good hip status and very good elbow status and is DM clear.

C. ADVICE FOR THE SELECTION OF A BREEDING PARTNER (Recommendations & Warnings)

She originates from a very good family background and should be in a position to transmit her positive qualities to her progeny. Her partners should carry good strength and development of their lines. Consideration should be given to Full del Riace Antico (Imp Italy) or his son Oldfields Indio with further consideration to Olymp vom Larchienhain (Imp Ger)
