C. ADVICE FOR THE SELECTION OF A BREEDING PARTNER (Recommendations & Warnings)

She possesses a well-defined family heritage on both sides of her pedigree. She is recognisably in type to her bloodlines, supported by a very strong breeding element on her dam's side via her dam Westfield Georgia to Westfield Ava to Westfield Vassa to Oakway Irresistable. Supporting this is the strong links via Boldova of Taimana and Aimsway Lass Vegas and Labo vom Schollweiher. Her sire Conbhairean Freddie has been a very good producer in Australia producing many typey animals of both sexes. Selection of a partner should be based on maintaining this process with the introduction of modern Germanic lines. Suggest at this time Wulkano-Uno von Schnitzerteam, IPO2 VA1 Ex Merit with consideration to Salvatore vom Grafenwald (Ger) or Rasti vom Gamsetal (Imp Ger) who was V 23 in 2021.
