A. FINDINGS ON THE DAY OF THE SURVEY (general description of the appearance and constitution, size)

Black and gold, (57.5cm),medium size, medium strong, she has a pleasing general construction, feminine and expressive, good head, ideally her eyes could be darker, good length of neck, normal withers, firm straight back, good length of croup which is slightly steep in its angle, good length of upper arm but should be more correct in its angle, stands correct, her pasterns could be firmer, very good hindquarter angulation, broad thighs, correct coming, slightly narrow going, she exhibits a good ground covering movement with good fore reach and a very good drive, her topline remains firm. Calm and self assured, stands firm to the gun. SHE IS CLASSIFIED BREED SURVEY CLASS II

B PARTICULAR VIRTUES & FAULTS (in addition to findings in A)

Particularly well coloured, well pigmented bitch whoi has a very well-maintained centre of balance with a firm overline, (was heavy in whelp), who is just slighgtly stretched in her overall proportions, correct size, with a very calm nature and demeanor. Her first litter via Veneze Valen were uniform with a high quality constructed bitch in Special K von Gavarol, and she fits the mould of a brood bitch. She is DM clear, with a very good elbow status.

C. ADVICE FOR THE SELECTION OF A BREEDING PARTNER (Recommendations & Warnings)

She carries very sound producing lines on both sides of her pedigree in particular via Gary v. Huhnegrab and Duran von Huhnegrab and especially so in her dams side vis Ch Veneze Ellie who was the dam of VA 12 Veneze Toro. She carries two direct line to Omen von Radhaus and in regard to selecting partners with very good angulations, good croup line, would recommend Oakway Hardcore in the first instance and Wulkano-Uno von Schnitzerteam (Ger) IPO2 VA1, Ex Merit would merit consideration.
