A. FINDINGS ON THE DAY OF THE SURVEY (general description of the appearance and constitution, size)

Large, long stock coat male, well coloured, medium strong, slightly stretched of excellent type, very good expressive head, correct skull plains, correct eye shape and dark, very good ear set and shape. The neck is well placed into the withers but could be slightly longer, his withers are normal and long, straight back, slightly stretched proportions, croup is well laid but slightly short, carries his tail correct with correct length, forequarter is very good, stands correct in front with correct feet and pasterns, underline is slightly short but doesn't show tucked up, hindquarters are well angled, stands straight from behind, movement is well balanced with very good overall movement which is workman like. Temperament is very sound and stands firm under the gun test.

B PARTICULAR VIRTUES & FAULTS (in addition to findings in A)

Well coloured male of very good type, still yet to fully develop, his coat over the croup is a little unruly, wavy. He has very good hips and elbows and is DM clear.

C. ADVICE FOR THE SELECTION OF A BREEDING PARTNER (Recommendations & Warnings)

Could be used for improvement of colour and overall type to improve overall top lines. Very friendly and sound. He has an excellent sire line through Vegas von Dongmiran (Imp NDL), He has an open pedigree.
