**A. FINDINGS ON THE DAY OF THE SURVEY ( general description of the appearance and constitution, size)**

Sable with gold markings, (58.5cm) (28.5cm), above medium size, strong, youthful, very typey and feminine bitch, she displays a very good overall proportions, very lively expression, well-constructed feminine head, her eyes should be a shade darker, good placement of the neck, high withers, firm straight back, well positioned croup but slightly short, very good fore and hindquarter angulation, broad well-muscled thighs, she stands correct, correct coming with firm elbows, good hock connection, she displays a very far reaching good ground covering movement that is powerful and spirited, very effective hind thrust with very good front reach, maintaing a very good wither retention. Calm and self-assured and stands firm to the gun.

**B PARTICULAR VIRTUES & FAULTS (in addition to findings in A)**

She demonstrates a fluid and enthusiastic gait with much ground coverage with optimum presentation. She presents a very good harmony of build for her age, strongly coloured and pigmented, balanced brisket proportions, very good fore and underchest development, praiseworthy top and underline, she shows an untiring enthusiasm and freshness to move however her pasterns still could be firmer. SHe has a good hip status and very good elbow status. She is DM clear.

**C. ADVICE FOR THE SELECTION OF A BREEDING PARTNER ( Recommendations & Warnings)**

She carries a very strong producing element in her pedigree and offers sound predictability within these lines and should be able to transmit her many favourable qualities to her progeny. Partners should have a very pleasing overall construction with a good croupline. It is highly recommended that her mating be an outcross. Suggest Kaster van Contra (ger), secondly Rasti vom Gamsetal (Ger) who was V23 at the 2021 Sieger Show, now in Australia.
