A. FINDINGS ON THE DAY OF THE SURVEY (general description of the appearance and constitution, size)

Large. 59.5cm, medium strong female of very good type, impressive head with very good colouring overall, very good eye shape and colour, very good skull planes, neck is of good length and well placed into the withers, normal withers and long, back is straight, well muscled, croup is of good lay but short, stands correct on the horizontal, forequarters are good, upper arm could be a little longer and better angled, very good underlines, very good hindquarter, a little loose going away, correct coming, she has good feet front and rear, movement is free flowing with very good balance overall in all aspects of the gaiting and walking. She is sound under the gun and under all aspects of the character assessment. **Recommended for Breeding.**

B PARTICULAR VIRTUES & FAULTS (in addition to findings in A)

Large well coloured bitch, well presented. She has excellent sire and dam lines on both sides. She has a very pleasing head and expression and type. Her overall construction is very good. The forequarter would be improved with her upper arm longer and better angled and croup a little longer and better angled. On the move she shows a steady balanced movement where her hindquarters could show more animation. Very sound on the walking. Confident and self-assured. Friendly. Particular care should be taken for hips and elbows when finding a partner and care with subluxation. She is DM clear.

C. ADVICE FOR THE SELECTION OF A BREEDING PARTNER (Recommendations & Warnings)

Breeding partners should be in correct proportions and overall firmness with good hips and elbow status. Recommendation for partners as follows: Aus Ch Cinderhof Diaablo, Ch Tiergarten Obi One, Aus Ch Cinderhof Raffaa, Oldfields Indio.
