### A. FINDINGS ON THE DAY OF THE SURVEY (GENERAL DESCRIPTION OF THE APPEARANCE AND CONSTITUTION, SIZE)

Black & Gold, 58 cm, above medium size, a very typical bitch who is very feminine and expressive, she has a strong feminine head, medium eye colour, very good length of neck, high withers, firm straight back, good lay of croup, just slightly short. Stands correct, good development of the forechest, good length of the underchest, very good fore and hindquarter angulation, upper arm could be more oblique, broad well-muscled thighs, steps correct coming and going, powerful far reaching ground covering movement with much cover, firm topline, good wither retention. Calm, self0addured and stands firm to the gun.

## B. PARTICULAR VIRTUES & FAULTS (IN ADDITION TO FINDINGS IN A)

Very firm and dry bitch, with a very clean over and underline, richly coloured, she has a natural will to perform at all speeds, shows very good vitality and enthusiasm. She is well presented and in very good condition. She has a very good hip and elbow status.

## C. ADVICE FOR THE SELECTION OF A BREEDING PARTNER (RECOMMENDATIONS & WARNINGS)

She is very phenotypical of her lines. Her siblings in Gustav and Gossip Girl are typey with very good overall harmony and build. She has a very strong producing element on both sides of her pedigree, but particularly so in the dam's pedigree via Aimsway Lass Vegas, Westfield Ava and Oakway Irresistable. Both sons and daughters via Westfield Ava and her dam Vaasa show very typey and pleasing types with very good harmony and powerful movements. Just a small caution in regard to gun test reaction on the dams side where ideally, they could be stronger. Georgia herself passed the guntest strongly. This bitch has much to offer in her breed programme and linebreeding is an option if required. The kennel has had great success with german lines and I would recommend the continuance of this practise. To that end I would recommend Djambo vom Fichtenschlag (Imp Ger) or Macho vom Lamerak (Imp Ger) She is highly recommended for breeding.
